D.No.8031. S.N. 1.

(1) The Residency Surgeon's letter is not quite clear.

(2) Dr.(Miss.) A.DeSantos who was an Assistant Surgeon in the Lady Curzon Hospital, on a pay of Rs.200-15-350, is stated to have retired from service with effect from the 1st March 1934. The scale of pay applicable to future entrants to this post (with effect from 1st August 1934) is Rs.175-25/2-300.

+ Page 5 of K

(3) The Residency Surgeon's proposal appears to be to appoint Dr.(Miss.) D.Cartner who is now an Assistant Surgeon in the Lady Curzon Hospital on Rs.150-5-200-10-300, in Dr.DeSantos' vacancy on the revised scale of pay (Rs.175-25/2-300), with effect from the date of the latter's retirement, i.e., 1st April 1934. Apparently, Dr.DeSantos' post is vacant from that date.

* Revised to Rs.125-10/2-175-15/2-250 with effect from 1-8-34.

(4) The proposal involves

(i) giving retrospective effect to the appointment from 1-3-34;

(ii) giving effect to the revised scale of pay from 1-3-34 instead of from 1-8-34 (the date fixed by Govt. of India).

(5) There would appear to be audit objection to both the proposals. Perhaps, the F.A. may be consulted U.O. But before doing so, the Residency Surgeon may, if approved, see this file and say whether paras 3 & 4 above are in accordance with his proposals.

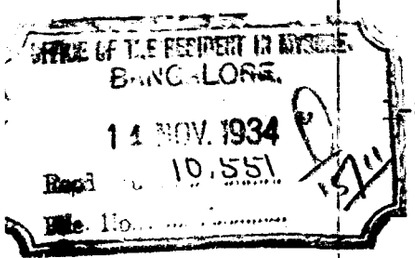
(6)

The date on which Dr(Miss) A. D' Santos retired is 1-3-1934 and not 1-4-1934.

It is intended that Dr(Miss) Cartner should be promoted to this appointment from 1-3-34. It was my recommendation - vide para 4 of my letter - that she should be given a starting pay of Rs.175/- in the new scale from 1-8-34. The position will therefore be that Dr(Miss) Cartner will be the holder of the post from 1-3-34 from which date her service will count for pension and will get into the new time scale of - Rs.175-25/2-300 from 1-8-34.

xS.N.I
P.U.C.



No retrospective effect in regard to pay prior to 1-8-34 is intended.

(7)

Please see from para 1.

It would appear from the Residency Surgeon's present note that his proposal is to appoint Dr.(Miss) Cartner in Dr(Miss) DeSanto's vacancy (on Rs.200-15-350) with effect from the 1st March 1934, and to fix her pay as follows:-

(i) From 1-3-34 to 31-7-34: Rs.150-5-200-10-300 (the pay which she was drawing prior to 1-3-34), instead of the actual pay of the post Viz. Rs.200-15-350..

(ii) From 1-8-34 : Rs.175-25/2-300 (This is the new scale corresponding to the old scale of Rs.200-15-350).

To the Financial Adviser to the Resident, U.O. No 788/34
Dated the 19th November 1934.

(9) Dr.(Miss) D. Cartner was appointed in the vacancy caused by Dr.(Miss) A. De Santos going on leave from 1-11-1931. As that post fell permanently vacant on 1-3-1934, the Residency Surgeon proposes to confirm Dr.(Miss) D. Cartner from that date

(10) As regards pay, the pay of the post is not fixed, but varies according to the qualifications of the incumbent. A lady doctor (Lady Apothecary) with Apothecary qualifications draws Rs.150-5-200-10-300 and one with M.B., L.M.S., or other equivalent or higher qualifications (Lady Assistant Surgeon) draws Rs.200-15-350-20-450 - Vide G.O. No.1353 P.H., dated - - 19-10-1921, quoted in para 1 of Resident's letter to the - - Government of India, No.4249/18-1913, dated 12-5-1927. Dr. De Santos, who had only a Lady Apothecary's qualifications but had served for 15 years was allowed to rise to Rs.350/- in the Assistant Surgeon's scale of pay, vide para 2, sub para 3, of the Resident's letter.

N.433/a (L) F.18-13

N.440A (L) F-18-13

(11) As Miss Cartner is an M.B.B.S., she was eligible for the rate of pay admissible to a Lady Assistant Surgeon, i.e., - Rs.200-15-350-20-450, from the date of her appointment in - - - November 1931. Her pay was, however, limited to that of a Lady Apothecary.

P.T.O.

(12)

The Residency Surgeon now proposes to give her from 1-8-1934 the pay of a Lady Assistant Surgeon (limited as in the case of Dr.(Miss) De Santos), which is Rs.175-25/2-300.

(13)

There is no objection to either of the above two proposals.
